Band In Concert Sunday Afternoon

Bandmaster Robert O. Lampi will present his Pahokee High School Band in an eighth anniversary concert at the high school auditorium on Sunday, May 16, at 3:30 p. m.

This year's 54-piece aggregation forms one of the finest groups of musicians in the history of the local band. Since this is the final public concert of the current school year 14 seniors who are playing members of the band will be making their last appearance. They are Margaret Powell, Lois Echols, Helen Howes, Helen Stokes, and Barbara Jenkinson, clarinets; Betty Joe Brooker and Waila Nell Hull, saxophones; Dickie Johnson, alto horn; Joy Padgett and Barbara Wroten, flutes; Eddie Stanley, piccolo; Frank Royelle, Jr., Sousaphone; Harlan Sears, snare drum, and Ray Hutton, bass drum. Joan McLarty, drum major, and Gwen Gant, majorette, also graduate this spring.

The program:
Night Flight March King
Poet and Peasant Overture

Fillmore, Arrang.
Instrumentalist March Skornicka

Band
My Buddy Polka Kleffman

Cornet trio—Murray Weeks, Herbert Walston and Charles Sears

Stars and Stripes Forever, Sousa At the Grenin Ball Hill

Tales From the Vienna Woods Strauss

Lassus Trombone Fillmore

Rampage of the Old Gray Mare Stacy

El Charro March Tarver

Band
Friends Waltz Smith

Trombone duet—Jack Major and Billy Jernigan

Marche Americana Ackermann

Eroica Overture Skornicka

Them Basses Huffine

Star Spangled Banner Fillmore Arrang.

Band

Free Transportation To Polls Tuesday

For transportation next Thursday to the School Bond election, arrangements have been made for cabs to carry the voters. In Pahokee those desiring transportation may call B. Elliott's garage, Phone 4011, or Collins Furniture Store, Phone 4461.

Terry Sellers Is Council President

Terry Sellers was elected president of the Pahokee City Council and commissioners of the streets, sidewalks and parks department at the first regular meeting of the new city council held Tuesday night in the city hall.

A. J. Gamot was elected vice president of the council and commissioner of the police and fire departments, Robert S. Douthitt was elected commissioner of the sanitation and health department; I. J. Frasure, Jr., finance commissioner, and Orin S. Bacon, commissioner of the waterworks and utilities department.

Before adjourning the council voted to retain the services of all present appointive city employees with no change in salaries until further notice.

Commission Opens Catfishing In Lake

Members of the State Game and Fresh Water Fish Commission seem to be seeing the error of their ways. After clamping down on commercial fishermen with every means at its command, the commission has now authorized the use of pound nets and baited traps for taking catfish in Lake Okechobee and the St. Johns River.

The Associated Press Added: "St. Johns fishermen also were authorized to use specified herring and shad seines during regular open seasons.

"All nets and traps will be subject to strict inspections of the commission and its biologists.

"Special permits for their use will be issued by the director of the commission, only upon approval of the district commissioner. Operators in the St. Johns River will be limited to 35 permits, and Lake Okechobee operators to 30 permits each.

"Fishermen will be required to return all game fish caught in the nets and traps to the water immediately."

MUTUAL APPROVED

JACKSONVILLE—A. Y. Milam, president, said that the State Chamber of Commerce directors have approved the action of Fourth District members in giving endorsement to the proposed Florida Citrus Mutual. Fourth District members approved the mutual at a meeting in Tampa on April 2.

Pahokee PTA Has Final Meeting Of This School Year

Mrs. D. W. Cunningham was installed president of the Pahokee Parent-Teacher Association for the second consecutive year at the annual installation of officers held in the high school auditorium Monday night. This was the final PTA meeting for the current school year.

Other officers inducted were Ned Kocher, first vice president; John D. Rogers, second vice president; D. D. Caudill, third vice president; Mrs. T. S. Kirk, secretary, and Mrs. L. J. Fraser, treasurer. The newly installed officers were presented with a corsage and boutonniere by Mrs. B. Elliott, installing officer.

At the business session, acting on the recommendations of the executive board, the group reappointed Mrs. C. A. Shive cafeteria supervisor and Mrs. Ralph Stanley, cafeteria manager. Principal D. D. Caudill reminded PTA members of the bond election for the improvement of the county school system on May 18. This bond issue carries it will be necessary for 50 per cent and one of the freeholders in the county to vote and a majority of these vote for the bonds. Mr. Caudill pointed out that the bond issue will entail no increase in the tax levy and is absolutely necessary for the continued progress of our schools. He urged all freeholders to take part in this election. It was announced that the best attendance records for the month of May and for the entire year were made by Mrs. Cleo Douthitt's third grade room and by the seventh grade at the junior high school, Mrs. Oleen Strayhorn and X. L. Garrison.

On the program the Pahokee Girl Scout Troop presented a very interesting and instructive playlet showing the procedure of a troop meeting, work on merit badges, first aid demonstrations, camp fire building and many other scouting activities. This is an excellent troop, organized approximately a year ago by Mrs. Joe Tom Boynton, troop captain, now has over thirty members and is one of the most outstanding troops in the history of local girl scouting. Mrs. Boynton is assisted in this work by Mrs. James Stafford, Mrs. Lois Mock and Mrs. David Bleach, assistant leaders. It is regrettable that through a misunderstanding the meeting was adjourned before the girl scouts were able to complete their part of the program.

Also on the program Robert O. Lampi directed two tonette bands, one composed of children of the third grade and the other of fourth, fifth and sixth grade pupils, in a concert of popular numbers. The program was opened by the third grade pupils of Mrs. W. E. Pope and Mrs. Cleo Douthitt who presented two playlets, "Mother Goose Streamlined" and "We Appreciate Mother."

During the social hour which followed the program refreshments were served in the school cafeteria by Mrs. Lewis Friend, hospitality chairman, assisted by

Freeholders Will Vote Next Tuesday On Bonds For School Betterment

Property owners of Palm Beach County will go to the polls in a special election Tuesday May 18 to decide whether the county board of public instruction will issue \$3,600,000 in bonds for immediate expansion of the county school system buildings.

J. J. Cater, West Palm Beach, chairman of The Committee of 21 For Schools of Palm Beach County, stressed the importance of the bond issue and the fact that, under present law, no additional local taxation will be required to pay for the bonds, in a statement issued this week:

"Voters of Palm Beach County have almost an unprecedented ad-

Class Play Will Be Presented May 28

Pahokee high school seniors are making preparations to present their annual play. This year it will be a comedy-mystery named "Hobgoblin House." The play is scheduled for the night of May 28, according to Mrs. Dennis Caudill who is doing the coaching. There are 12 members in the cast and two sound effects men, Mrs. Caudill said.

Canners Plan Better Juice Grade

LAKELAND — The Canners League of Florida, made up of independent citrus canners, is seriously studying the possibility of recommending high maturity standards for raw fruit used by canners, J. Adams Bruce, League vice-president and president of Bruce's Juices, Tampa, said recently.

"One of the league's primary objectives is to raise the standard of juice packed by Florida canners," said Bruce who is chairman of the League's quality control committee.

Bruce explained that the league's quality committee, which includes N. Bach of Bordo Products Co., Harvey Greenspan of Sasson-King, Ltd., Spence Spross, of J. William Horsey Corporation, and R. D. Rueff, of Stokely Foods, Inc., is giving close attention to the feasibility of setting rigid maturity standards for fruit from which top-grade juice will be made. Periods for enforcement of such standards might be adjusted to fit the growing conditions of each particular season.

DIRECTORS TO MEET

The board of directors of the Council of Church Women of the Pahokee and Canal Point area will meet at the Canal Point Baptist Church today, Friday May 14. It is important that all members of the board attend as this is to be the last meeting until fall.

Mr. and Mrs. M. P. Holman left this week to join their son and daughter-in-law, Mr. and Mrs. Howard Holman, in Pocomoke, City, Md., for the summer.

Mrs. Clyde Alley and Mrs. Becky Starling, co-hostesses.

vantage in approving this bond issue", Chairman Cater said: "There is probably not another county in Florida so fortunately situated as we are in the respect that we will be able to supply vitally necessary school building expansion to meet a desperate condition of overcrowding, and can accomplish this under existing school law without one additional cent of local taxation being levied."

He explained, as he urged freeholders of the county to vote for the issue at the Tuesday special election, that under present law the entire \$3,600,000 bond issue can be retired over a 20-year period by money contributed by the state and by funds already provided for by the county school system.

"On our present school attendance of approximately 16,000 in the county", Dr. John I. Leonard, county superintendent of public instruction pointed out, "we receive \$185,034 each year from the state for capital outlay, or construction, of school buildings and facilities. This is matched annually with \$61,678 by the county, from funds already provided for, and makes a total of \$246,712 which is sufficient to retire the bond issue without any extra expense or local taxation for the property owners of the county."

The Committee of 21 for Schools of Palm Beach County undertook the job of informing property owners and freeholders of the county of the question before them, and this week is dispensing information to every potential voter in the county.

Members of the committee, in addition to Chairman Cater, are: West Palm Beach: Mrs. M. H. Gibson, E. D. Anthony, Sr., Joseph D. Farish, Jr.; Palm Beach, Dr. John R. Wells; Lake Worth, Mrs. Helen Hawks, Tom Smith; Delray Beach, Dr. J. G. Robinson; Pahokee, Mrs. Jesse Elliott; Belle Glade, A. E. Kirchman; Canal Point, A. Q. Howell; Jupiter, John Lieb; Lake Park, Charles Branch; Lantana, Mrs. Lashley Fable; Boynton, Mrs. C. M. Hood; Boca Raton, J. C. Mitchell; Riviera Beach, L. D. Mulligan; Military Trail, Mrs. D. W. Beebe; Lake Harbor, D. G. Mathis; South Bay, Meade Willets; Greenacres, Mrs. Eva Swain.

Polling places for the special school bond election will be the same as those used for the recent first primary election, with two exceptions in West Palm Beach, in Precincts 13 and 14. In the former, the polling place will be at the B. D. Electric Co., 735 Belvedere, and at the latter at Hardin Motors, 2001 S. Poinsettia.

MRS. DULANY NAMED

At the recent conference of the Florida Council of Church Women in Orlando Mrs. John A. Dulany, president of the Pahokee-Canal Point Council of Church Women, was appointed a member of the council's state executive board by Mrs. J. M. Edenfield, incoming president of the state Council.

Cabbage Palm Is Quite A Useful Tree

TALLAHASSEE — The trouble with cabbage palms seems to be that enough people aren't doing enough things with them.

State Forester C. H. Coulter, a man devoted to the neglected cause of the cabbage palms, will reel off the uses of the versatile tree at the drop of a frond.

His eyes lit up the other day when a reporter suggested coming by to discuss cabbage palms. When the news gatherer showed up, Coulter was primed for the occasion.

He had the better part of a tree on hand for a demonstration. First on the program was a snack of cabbage palm heart. Practically all of Coulter's staff was called in for a nibble.

"It tastes like a mixture of chestnut and cabbage with a little celery lurking in the background," was Coulter's sales talk. Nearly everyone liked it.

What else can you do with a cabbage palm? Coulter had plenty of evidence to show brushes can be made from the fiber and hot pads can be made from sections of the logs. He seated the reporter in a chair made from the stems and he cooled things off with a fan made from one of the leaves.

He displayed pictures of a house made by using pieces of the wood as if they were bricks. He brought forth a picture of the great seal of the State of Florida to show a cabbage palm forms part of its design.

He reported on use of cabbage palm trunks as wharf pilings, use of their leaves for hats, mats and baskets. He said a tough, fibrous webbing grown by the tree can be used for pin cushions.

Animals — and some people who've acquired the taste — eat the berries of the cabbage palm. An oil cake for use in fattening cattle can be made from its seeds.

Carloads of its fronds are shipped out of Florida during Lent for use in Northern churches on Palm Sunday. Its pulp has been used in the manufacture of building blocks. It's also possible to use the pulp in the manufacture of book and magazine paper.

The palm isn't any Johnny-come-lately, either. A report on its uses showed it was employed during the Indian and Revolutionary wars as a stockade building material "because bullets passed through the bark portion and buried themselves in the soft, spongy tissue without breaking the log."

Somewhat as an anti-climax, the report added: "There now is a small demand for this wood for

making walking sticks and umbrella handles."

Florida has about 3,500,000 acres of cabbage palms growing in commercial quantities. Coulter said But there are only a dozen or so firms turning out cabbage palm products.

Why isn't more use made of it? People just haven't awakened to the possibilities of the palm, the forester said.

Why, he declared, a firm could use every part of the palm for something if it were geared for the purpose.

"Look at meat packers," he meditated. "They use all of a pig but the squeal."

Entered Forest Service Fiscal Agent George Kilmer.

"Did you ever make a hawk call from a cabbage palm?" he inquired. Coulter hadn't. Kilmer demonstrated with a portion of the stem and a bit of leaf. It squealed.

Meat packers, look to your laurels!

Cinematic Chatter

By Malcolm Millar

One of the most thrilling mystery tales that has been exhibited locally in some time is to be screened at the Prince Theatre, Pahokee, Sunday-Monday, May 16-17, with the filming of "The Big Clock". Ray Milland, Charles Laughton and Maureen O'Sullivan are the stars of the piece, with George McCready, Rita Johnson, Elsa Lanchester as the supporting cast.

Murder... cleverly planned, is demon that pursues Ray Milland in this piece, which has been termed by critics as a "Very unusual and entertaining murder story." Charles Laughton is cast in one of his most dramatic roles and he certainly makes the most of the character. Other members of the cast deliver exceptional performances in support of the top players and the whole piece turns out to be the class of entertainment that lives in your memory.

Yes... I do recommend it to you as top-flight entertainment. See you at the movies—Mal.

VISIT GAINESVILLE

Mrs. Frank O'Connell and daughter, Miss Ann O'Connell, spent the past week end in Gainesville, Florida, where they visited another daughter of Mrs. O'Connell's, Mrs. Frank Sganga and Mr. Sganga and son. Mr. and Mrs. Sganga are students at the University of Florida. Miss O'Connell returned to Miami where she is employed by Burdine's.

Any doubt of the tin can's role in the domestic economy has been dispelled by a nation-wide survey made for American Can Company showing that 996 households out of every 1,000 possess one or more can openers.

CARD OF THANKS

Just a note of gratitude
For those who came my way,
With flowers and cheerful visits,
During my hospital stay.
—Mrs. Roy Pope.

Price Burdshaw is a patient at St. Mary's Hospital in West Palm Beach where he was scheduled to undergo an operation on Thursday of this week.

From where I sit... by Joe Marshall

Jeb Had the Folks in Stitches!

At the Friday Night Social, Jeb Crowell had the audience in stitches—doing a take-off on the blustering character who belittles everybody and everything that isn't from his own home town.

Well, we can laugh at that sort of character because from where I sit, Americans are just the opposite. We like to boast a bit perhaps, about the paint job on the new barn, or the missus' style of cooking—but we aren't intolerant of people who don't think or act exactly the same way we do.

In our town, for instance: Some folks like band concerts, others don't—some families serve beer with dinner; others, buttermilk—and as for politics, there's plenty of healthy disagreement.

But when it comes to denying folks the right to think or act as they choose... no, we're like you—we don't believe in it, whether it goes for serving beer, or speaking one's mind on public affairs.

Joe Marshall

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

Sunday School Has Increased Attendance

The Class Contest of the Canal Point Methodist Sunday School may be decided next Sunday. Mary Helen Hook's Junior Boys Class is being hard pressed by Bill Johnson's Young People's Class as the campaign to circle the globe pushes into its final days. Both classes are now in their Flying Boats soaring North from the southern tip of Africa to Lisbon, the next port with the Boys but 4,000 miles in the lead in this 65,000 mile trip touching all continents. The surprise of last week was the close contest between the Men's Class of A. R. Harrington and the Women's Class of Mrs. W. P. Pope for third place with the ladies sweeping ahead of the men just short of Bombay. The other classes will have to work hard to stay in the competition!

Sunday School attendance since Easter averages 127 for the six weeks of the contest... over twice the average of a year and a half ago. Moreover, there is every indication that it will stay up there long after the end of the contest. Following the campaign to bring our attendance to 100 a year ago, our average winter and summer for the twelve months in which there was no contest whatsoever held at 94. The teachers and officers of the Sunday School have made such advance possible and the loyalty of pupils and teachers alike makes this fine work continue.

"Needed—New Horizons" will be the theme of the Morning Worship Service at 11 on Sunday. The sermon will deal with Jesus' standard of right and wrong. In the evening at 7:30 the sermon will be on the meaning of the phrase "the sins of the father shall be visited on the children unto the third and fourth generations."

The Youth Fellowship Doughnut Day will find members busily at work in the parsonage making and filling orders for well over 100 dozen doughnuts on Saturday to raise funds for their pledge to the Sunday School Building Fund. Harold Hayes is star salesman with orders for 37 dozen so far.

Young Married Fellowship will enjoy a rib barbecue at 7:30 Friday at the Joe Parkers, Parkers and the Earl Maxsons as hosts.

The Junior Fellowship had an exciting and satisfying time at a Beach Party last Saturday. Twenty boys and girls attended the wiener roast and the afternoon of swimming that made up the event. The party was made possible by the furnishing of a truck by Bill Culbertson and the help of Harlan Sears, Jr. who went along to help the minister care for the group.

Mrs. Sara Thomas Is New BPWC Head

Mrs. Sara Thomas was elected president of the Everglades Business and professional Woman's Club at the annual election of officers held at the home of the retiring president, Mrs. Tommie Lee DuBose.

Other new officers chosen for the year were Mrs. Faye Abing, first vice president; Mrs. Doris Carter, second vice president; Mrs. Lois Mock, recording secretary; Mrs. Bethelle Dobrow, corresponding secretary, and Mrs. Violet Hall, treasurer. The nominating committee recommending the new slate of officers was composed of Mrs. Alma Farrow, Mrs. Cley Douthit and Miss Lucille Williams.

Plans were discussed for the group's annual installation banquet which will be held at the First Baptist Fellowship Hall on the night of May 25.

L. O. Snyder underwent an emergency appendectomy at the Everglades Memorial Hospital on Sunday.

Mrs. Homer J. Clause returned home Wednesday night from Safety Harbor where she has been receiving medical treatment.

Florida Sunshine Preps Derby Winner

MIAMI—Still another testimonial to the advantages of training race horses under Florida's magical sun was supplied in the 74th Kentucky Derby at Louisville when Calumet Farm's Citation and Coaltown finished one-two.

It was the third time in seven years that horses trained at Hialeah—Florida's show-place race track—have run first and second in the Kentucky Derby. Five of the last eight winners of the Run-for-the-Roses, in fact, were prepped at Hialeah, and only once since 1940 has a Hialeah-trained horse failed to finish in the money at Louisville.

Concern, however, that Florida may lose such stars as Citation and Coaltown if there is any further reduction of Hialeah's 40-day racing season was expressed by Sam H. McCormick, secretary-treasurer of Hialeah, upon his return from the Derby.

"With the present downward trend in mutuels business, it is going to be difficult even on the basis of a 40-day racing season for Hialeah to continue the purses necessary to keep the big stables from moving their stars to California," McCormick said. "They all prefer Florida in the matter of weather, but there must be other attractions besides the climate. California's big purses have long been a strong temptation for Calumet and other major racing establishments."

McCormick said that the length of the Hialeah season had been reduced over a period of years from 55, to 50 to 45—and finally to 40 days of racing.

Citation, Coaltown and other Calumet horses were at Hialeah

for five months last winter. McCormick said in pointing out that the track's stabling accommodations were kept open from November 1 through April 22, although the track itself operates only 40 days during January and February.

To attract the horses to Florida, it is necessary for Hialeah to provide stabling accommodations, training track, police and fire protection and utilities to the horsemen without cost over this long period of time every year, McCormick explained. Maintenance alone of the racing strip—acclaimed one of the nation's safest—for six months is a considerable item of expense.

Major league baseball clubs have long recognized Florida's mild climate as ideal for pre-season training, and the last 22 world champions have been trained in the state.

Florida wasn't able to attract the champion race horse, however until after the reconstruction of Hialeah, and its inauguration of major league purses and stakes.

Gertrude Shirley Circle Will Meet

The Gertrude Shirley Circle, First Methodist WSCS, will meet at the home of Mrs. Glenn Abing Monday, May 17, at 8 p. m., with the chairman, Mrs. M. I. Keen, presiding and Mrs. E. J. Graham, Mrs. Jack Spencer and Mrs. Leo Wroten acting as co-hostesses. A study of "Great Prayers of the Bible" will be presented by Mrs. Graham.

Harold Bacon of Canandaigua, N. Y., has arrived for a visit with his nephew, Orin S. Bacon, and other relatives in Pahokee and Belle Glade.

Eat Oranges And Keep Girlish Figure

PALELAND—The Florida Citrus Commission is checking up on the latest idea of how to use more oranges. Some air line stewardesses eat the fruit to keep their girlish figures.

The Commission ran across a story in a Minneapolis newspaper which relate how the Northwest Airlines stewardesses keep away surplus poundage by going through an orange routine!

They start out with one orange the first day and build up to about 12 or 14 in as many days. The disturbing fat, the story relates, is supposed to go away by that time.

The Commission wants to find out whether canned orange juice will do the trick as well because Florida does not have fresh oranges the year around.

Weathers - Jones

Miss S. A. Glyndora Weathers, daughter of Mrs. W. F. Galloway of Indiantown, and Thomas Earl Jones of Miami, son of Mrs. C. T. Stewart of Sylacouqua, Ala., were married at the home of Mr. and Mrs. Galloway near Indiantown on Sunday afternoon, May 2, with Judge W. J. Larrimore of Pahokee officiating. The ceremony took place on the lawn of the Galloway home with a bank of white flowers in the background.

The bride wore a pink crepe dress with white accessories and carried a white prayer book.

Mrs. Arnold of Alabama was her sister's matron of honor and Capt. Bass of Miami was Mr. Jones best man.

Mr. and Mrs. Jones are now at their Home in Miami.

A reunion of the Humphries family was held at the home of Mr. and Mrs. W. A. Humphries, Sr., at Port Mayaca on Mothers Day honoring Mrs. Humphries' mother, Mrs. Willa Hinote, on her 82nd birthday anniversary.

L. J. Fraser, sales manager for W. H. Vann, Inc., expects to leave soon for Charleston, S. C., where he will be engaged in the vegetable produce business in that area through the early part of the summer.

Stafford Cites New Veterans' Law

On-the-job training for World War II veterans became a more attractive proposition last week when wage ceilings were raised by a new legislation in congress. The bill became law upon the signature of President Truman.

According to James A. Stafford, Veterans Service Officer for the Everglades section, the new ceilings are \$210 for a veteran without dependents; \$270 for a veteran with one dependent; and \$290 for a veteran with more than one dependent. These figures include both compensation from the employer and subsistence allowance from the Government.

"Passage of this law does not mean that every veteran in on-the-job training will be eligible to receive these amounts," Stafford explained. "Each on-the-job-training program is written individually. Thus, the maximum amount payable to the veteran is his 'objective wage'—or the wage which a fully trained man would receive in that particular job, according to the present program."

"Most of the programs written in the past two years have been based on the ceiling wage of \$200 for a married man. These ceilings are still binding on current programs. An employer may ask for a revised program which would raise the objective wage, but he must apply for a revision," Stafford continued. "At this time, reports that a general re-survey of objective wages will be made are without confirmation."

Betty Ann Sears Is Queen Sugar II

The 1947-48 Sugar Cane Harvest was brought to a close at Sugarland Park Recreation Hall in Clewiston, Thursday evening, May 6, with the coronation of Betty Ann Sears, Canal Point, as Queen Sugar II and Fred C. Sikes, Clewiston, as King Cane II.

The grand entrance of the King and Queen was preceded by a court of six beautiful princesses and six handsome princes. Lovely gifts were presented to the King and Queen and members of the royal court by the Sugar Company. Following the coronation ceremonies, employees of the Sugar Corporation attended a dance held in the Hall.

Tom Watson Issues Thanks To Voters

TAMPA — Attorney General J. Tom Watson, referring to the recent primary in which he was a gubernatorial candidate, said: "The accomplishment of my temporary defeat has been effected. May there be some worth while consequences realized for future good government in our state. I will endeavor to work it out for me, personally and politically, as a blessing in disguise. The campaign has given me some new ideas and incentives, which I hope to make use of for the benefit of the people of Florida."

"I have already publicly offered my congratulations to the winners and my thanks to my supporters. Am expecting to enjoy my work for the next eight months and extend a cordial invitation to the people of the state upon their visits to Tallahassee to come in to see us in the Attorney General's office."

REC. C. A. MOBERG'S SEVENTH ANNIVERSARY

Plans for the seventh anniversary of the Pahokee pastorate of Rev. C. A. Moberg, First Baptist Church are being formulated. Details will be announced.

TO CONSERVE TREES

MOUNT DORA — At their regular meeting last week, the City Council made plans for a long range tree conservation program. Councilmen Bardwell and Rebaum were appointed to work in cooperation with the City Park Commission in outlining the program and to report back to the council at their next meeting.

Bids were asked by the council for painting the City Hall and Community Building. In addition, bids will be submitted for repairing and termite proofing of the city library, according to City Clerk Bill Stewart.

Earl Chance, who joined the S. Navy on March 30, has been promoted to the rank of second class petty officer. He is a member of Company 48-111 at the U. S. Naval Training Center, San Diego, Calif., and is serving as regular organist in the chapel at the training base.

Citrus Exposition to Be Expanded

WINTER HAVEN — John A. Snively, Jr., packing house executive, has been reelected president of the Florida Citrus Exposition for his ninth consecutive term. At the same time officials announced plans for an expansion program to culminate in the silver anniversary of the exposition during the week of February 14-19, 1949, in recognition to the founding of the original Winter Haven Orange Festival in 1924.

Other officers named are: George L. Burr, Jr., reelected chairman of the board; Frank J. Poitras, secretary; John L. Olson, of Dundee, treasurer; and C. C. Street, first vice president.

Other vice presidents are Tom B. Swann, Winter Haven; H. N. Sorrells, Arcadia; A. V. Saurman, Clearwater; W. F. Roper, Winter Garden; J. K. Hays, Winter Haven; John M. Campbell, Leesburg; J. J. Parrish, Jr., Titusville, and M. H. McNutt, Orlando.

The new ways and means committee consists of Frank L. Holland, Winter Haven; Marvin H. Walker, general manager of the Florida Citrus Commission, Lakeland; State Senator Harry E. Kling, John M. Kuder, and George L. Burr, Jr., all of Winter Haven.

General Manager Phil E. Lucey, reappointed recently on a three-year contract basis, announced that expansion plans center around construction of a 2000 seat auditorium, which would be erected either on the east or west corner of Third Street and Avenue D. N. W., adjoining the main entrance to the exposition grounds.

This would incorporate space for

a citrus museum, which would be open to visitors the year around, and would provide a complete picture of Florida's citrus industry from the planting of the nursery seed to the packing, shipping and marketing of the fruit.

Vorhees - Jones

Miss Wanda Fern Vorhees, daughter of Mrs. Laura A. Vorhees of Canal Point, and Douglas Pierce Jones, son of Mrs. Eva Jones of West Palm Beach, were married at the Northwood Baptist Church in West Palm Beach on Saturday, May 8, at 5 p. m. Vows for the single ring ceremony were read by Rev. Marlowe, pastor of "the church."

The bride, given in marriage by her brother, Boyd Vorhees of Canal Point, on his tenth wedding anniversary, wore a two-piece white tailored suit with white accessories. She carried a white prayer book topped with white orchids.

Mrs. Boyd Vorhees of Canal

Point, sister-in-law of the bride, was matron of honor. Horace P. Jones of West Palm Beach was his brother's best man.

Mrs. Jones graduated from high school and attended business college in Bakersville, Calif. Before moving to West Palm Beach three years ago she was a resident of Pahokee where she was employed in the offices of the Florida Power and Light Company.

Mr. Jones is a graduate of Palm Beach High School and was in the service for two years during the war.

After a wedding trip to Silver Springs and other points in Florida the couple will make their home in West Palm Beach.

Earle Pitts is recuperating from an emergency appendectomy performed at the Everglades Memorial Hospital on Sunday.

Mr. and Mrs. Hugo Boe and children spent Mothers Day in Winter Haven with her parents, Mr. and Mrs. C. Mitchell.

Mothers Of The Past Is Methodist Theme

An inspiring Mothers Day pageant, portraying mothers of the past who have made rich contributions to our civilization, was presented at the First Methodist Church Sunday night under the direction of Mrs. B. Elliott. As the pageant was being presented Mothers Day songs were sung by the youth choir and vocal solos, by Robert O. Lampi and Miss Joan McLarty.

COUNTY COUNCIL OF PTA

The County Council of PTA will meet at Lake Park on Wednesday, May 19 at 10:30. Luncheon will be served at noon.

Sasser Watson, who has been employed as clerk at the Pahokee Western Union office, left this week for Gainesville where he will be night manager at the Western Union office in that city.

Mothers Honored By The Baptists

Perhaps the most gratifying Mother's day in the history of the First Baptist Church of Pahokee was joyfully experienced last Sunday. The goal of 300 in Sunday School fell a little short only because of the miniature cloud-burst that visited this area at the Sunday School hour. Thanks to the short duration of the shower, preaching time found conditions improved resulting in the attendance of a capacity congregation.

The ten mothers who were honored follow: Mrs. Violet Hall (twice), Mrs. E. Eason (twice), Mrs. G. M. Grimes, (twice), Mrs. T. W. Knight, Mrs. M. Conrath, Mrs. E. Unwin and Mrs. James Batchelor. Others honored were Mrs. H. E. Unwin, president of the W. M. U. and leaders, Mrs. W. H. Rogers, Mrs. W. A. Keen, Mrs. J. C. Mock, Mrs. F. G. Gillis, Mrs. T. W. Knight, Mrs. R. Grimes, Mrs. W. H. Kemp, Mrs. James

Batchelor, Mrs. J. C. Sowder, Mrs. J. Crews and Mrs. R. Hitchcock. The happy climax to the morning service was the receiving into the fellowship of the church, Mrs. Violet Hall, daughters Mary and Martha and Carl Watson.

The Training Union at 6:45 enjoyed a good attendance with a special program in the Junior Dept. for the mothers. Refreshments were served. A more than capacity congregation attended the 8 o'clock service to welcome the Dade Quartet whose program, which was of the highest spiritual order, resulted in a second happy climax with the coming into the fellowship of the church, Mr. and Mrs. Roy Kautz, Mr. and Mrs. J. L. Humphrey, Ruby Gunter and Wayne Unwin, totaling ten for the day.

The many more who are contemplating uniting with this church await a hearty welcome. The pastor, Rev. C. A. Moberg and members say, "Praise God for this Mount of Transfiguration," experience. May there be many more.

Superior Meat-Type Chicken Is Sought

GAINESVILLE — Florida's poultrymen are continuing their search for a superior meat-type chicken with a 1948 Chicken-of-Tomorrow contest, which started March 29.

The new contest follows up the splendid progress made by Florida poultrymen in their 1946 and 1947 contests, sponsored by A&P Food Stores, when they competed for awards of \$7,000 against outstanding breeders throughout the country.

This year's contest, as outlined by State Chairman N. R. Mehroff, will run for 12 weeks. On June 23 competing flocks will be sent to a central dressing plant. Birds will be judged for hatchability, feathering, feed consumption, rate of growth and body conformation.

The goal of the national Chicken-of-Tomorrow contest, supervised by a committee of poultry industry leaders and representatives of the U. S. Department of Agriculture, is to develop a chicken that will grow faster on less feed and produce more meat in proportion to bone. Commercial production of the ideal bird would mean greater returns for Florida's \$9,000,000 poultry industry, and greater satisfaction for the consumer.

The program announced by Chairman Mehroff, poultry breeder at the University of Florida, places increased emphasis on junior participation. Special cash and trophy awards will be made by A&P to winners in the junior division.

IT'S DICK ERVIN FOR Attorney General

"I am deeply grateful to the people of Florida and Palm Beach County for their support of my candidacy for the office of Attorney General at the polls on May 4. Your vote and support has made me the leading candidate for this high office. I appreciate this confidence you have placed in me. It is my hope that many new friends from every part of Florida will join with me in my campaign for sound, efficient and progressive government for our state."

Births

Mr. and Mrs. John Bethae of Clewiston announce the arrival of a son, Kenneth Reed, on May 7.

Mr. and Mrs. Donald E. Bentley of Bryant announce the arrival of a daughter, Brenda Jean, on May 12.

Party Honors Two On Their Birthday

Mrs. Thomas Elliott and Mrs. J. C. (Pat) Schoepel entertained at the city park on Thursday afternoon of last week with a party and wiener roast honoring their sons, Tommy Elliott and Jimmy Schoepel, on their birthday anniversaries. Outdoor games were enjoyed and refreshments were served by the hostesses to approximately 50 guests.

NOTICE

NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 18942, Laws of Florida, Acts of 1937, the Board of Supervisors of EAST BEACH DRAINAGE DISTRICT, a drainage district organized and existing under the laws of Florida, and embracing lands within Palm Beach County, has caused to be prepared a budget showing the requirements of the District for maintenance, operation and administration during the year beginning on the first day of November, 1948, and ending on the thirty-first day of October, 1949. Said budget, among other things, shows the amount of Maintenance Tax per acre necessary to be levied upon the lands within said District for the year 1948.

The said budget is now on file and may be examined at the office of the Secretary of the District at Canal Point, Florida. The Board of Supervisors of East Beach Drainage District will meet at 9:00 o'clock A. M. on the twenty-eighth day of May, 1948, at the office of the Secretary of the District in Canal Point, Florida, for the purpose of hearing objections and complaints with respect to the said budget, and for the purpose of transacting such other business as may properly come before said meeting.

DATED this 30th day of April, 1948.
BY ORDER OF THE BOARD OF SUPERVISORS OF EAST BEACH DRAINAGE DISTRICT
By: L. L. Snuckey,
Its President.

Pub: May 14, 21, 1948.

RE: EAST SHORE DRAINAGE DISTRICT TAXES FOR YEAR 1948

NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 2094, Laws of Florida, Acts of 1941, the Board of Supervisors of EAST SHORE DRAINAGE DISTRICT, a drainage district organized and existing under the laws of Florida, and embracing lands within Palm Beach County, has caused to be prepared a budget showing the Debt Service requirements of the District for maintenance, operation and administration during the year beginning on the first day of November, 1948, and ending on the thirty-first day of October, 1949. Said budget, among other things, shows the amount of Debt Service Tax and the amount of Maintenance Tax per acre necessary to be levied upon the lands within said District for the year 1948.

The said budget is now on file and may be examined at the office of the Secretary of the District at Canal Point, Florida. The Board of Supervisors of East Shore Drainage District will meet at 2:15 o'clock P. M. on the thirty-first day of May, 1948, at the office of the Secretary of the District in Canal Point, Florida, for the purpose of hearing objections and complaints with respect to the said budget and for the purpose of transacting such other business as may properly come before said meeting.

DATED this 30th day of April, 1948.
BY ORDER OF THE BOARD OF SUPERVISORS OF EAST SHORE DRAINAGE DISTRICT
By: R. Y. Patterson,
Its President.

Pub: May 14, 21, 1948.

RE: PAHOKEE DRAINAGE DISTRICT TAXES FOR YEAR 1948

NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 18942, Laws of Florida, Acts of 1937, the Board of Supervisors of PAHOKEE DRAINAGE DISTRICT, a drainage district organized and existing under the laws of Florida, and embracing lands within Palm Beach County, has caused to be prepared a budget showing the Debt Service requirements of the District and of the East Unit thereof and the requirements of the East Unit of the District for maintenance, operation and administration during the year beginning on the first day of November, 1948, and ending on the thirty-first day of October, 1949. Said budget, among other things, shows the amount of the East Unit Debt Service Tax, and the amount of East Unit Maintenance Tax per acre necessary to be levied upon the lands within said District for the year 1948.

The said budget is now on file and may be examined at the office of the Secretary of the District at Canal Point, Florida. The Board of Supervisors of Pahokee Drainage District will meet at 1:15 o'clock P. M. on the thirty-first day of May, 1948, at the office of the Secretary of the District in Canal Point, Florida, for the purpose of hearing objections and complaints with respect to the said budget, and for the purpose of transacting such other business as may properly come before said meeting.

BY ORDER OF THE BOARD OF SUPERVISORS OF PAHOKEE DRAINAGE DISTRICT
By: R. Y. Patterson,
Its President.

Pub: May 14, 21, 1948.

Moberg Conducts Miami Revival

Revival services are in progress this week, First Baptist Church of Miami Beach, and are being conducted by the Rev. C. A. Moberg, pastor of the First Baptist Church of Pahokee. The services will close Sunday night.

Pahokee is indeed fortunate to have in the pulpit Sunday the Rev. K. Dursma, who studied for the ministry in Holland. He will speak to the Men's Bible Class at 9:45 and will preach at the 11:00 o'clock hour. Mr. Dursma just recently purchased a movie projector and other like equipment to be used in a program that will benefit South Florida. The First Baptist Church of Pahokee will enjoy a place on this program.

Sunday night, Mr. Dursma will show the film, "The Blood." This is one of the outstanding Christian pictures of the day. Lasting forty minutes, this will be the preaching program. The public is cordially invited.

PUPPY EXHIBITION

The Palm Beach County Dog Fanciers Association will hold an all-breed puppy exhibition at Phipps Park in Palm Beach on Sunday, May 16 at 2 p. m. Two competent judges will award first and second prizes in each group and class. Special prizes for best litters and all live puppies in each litter must be shown. Those interested are urged to be in attendance for the exhibition.

Woman's Clubs In County-Wide Meet

Mrs. Edward T. Page of Delray Beach was installed president of the Palm Beach County Federation of Woman's Clubs at a business meeting held in the Pahoekie First Methodist Church on Thursday morning of last week.

Other newly elected officers included were Mrs. Frank Seabrook of Jupiter, first vice president; Mrs. Louis Warshawer of West Palm Beach, second vice president; Mrs. E. J. Cassilly of Delray Beach, secretary-treasurer. Mrs. C. Raymond Durkee of West Palm Beach, a member of the State Federation, acted as installing officer. Mrs. Allen Dame of Boynton Beach, retiring president presided at the business. It was announced that the next county federation meeting will be held in Lantana.

Following the business session luncheon was served in the Woman's Club building with members of the Pahoekie club acting as hostesses. The clubhouse was decorated for the affair with maypoles of many colors and bouquets of gold and purple spring flowers. The club colors, the purple bougainvillea, club flower, was hand painted on the programs which were printed on gold-colored paper. Mrs. Leon Spooner was chairman of the committee in charge of luncheon arrangements. Plates were laid for 125.

The all-day meeting was concluded at the clubhouse in the afternoon with a program presented by Mrs. R. W. Sanders as follows: Piano solo, Mrs. Joseph Kahn; vocal duet, Mrs. R. M. Sanders and Mrs. R. W. Sanders; readings, Mrs. D. D. Caudill; vocal trio, Mrs. C. A. Moberg, Mrs. T. W. Knight and Mrs. Ralph C. Grimes; comedy skit, Melvin Tillis and Charles Holmes; vocal solo, Mrs. Leo Wroten; Reminiscences of Pioneer Days, Paul Rardin and B. Elliott. Mrs. Farnell Enecks was pianist on the program.

Mrs. Emma Wheeler has returned from Lakeland for an extended visit with her son-in-law and daughter, Mr. and Mrs. Jess M. Elliott, in Pahoekie.

Legion Auxiliary Has Regular Meet

Members of the American Legion Auxiliary, Post 90, met at the home of Mrs. Jack Phillips Tuesday night with Mrs. Lois Mock, newly elected president, presiding.

It was reported that the auxiliary netted more than \$200 for the benefit of disabled veterans in the sponsorship of "poppy day" sales on May 4. Plans were discussed for the annual installation of new officers which will be held in the Belle Glade Legion Hall on the night of May 20 with all Legion posts and auxiliaries in the Lake area taking part in the joint installation ceremonies.

It was announced that Miss Yvonne Fraser, daughter of Mr. and Mrs. L. J. Fraser and a member of the Junior Class at Pahoekie High School will attend Girls State in Tallahassee June 14-19 under the sponsorship of the Post 90 Auxiliary.

The next meeting will be held on the first Tuesday instead of the second Tuesday in June at the home of Mrs. Joe Tom Boynton. Mrs. Myrtle Brooks was a guest.

CHURCH OF CHRIST SCIENTIST

"MORTALS AND IMMORTALS" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientists, throughout the world on Sunday, May 16.

The Golden Text is: "As we have borne the image of the earth, we shall also bear the image of the heavenly" (I Corinthians 15:49).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Wherefore henceforth know we no man after the flesh; yea, though we have known Christ after the flesh, yet now henceforth know we him no more. Therefore if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new" (II Corinthians 5:16, 17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We must reverse our feeble flutterings — our efforts to find life and truth in matter — and rise above the testimony of the material senses, above the mortal to the immortal idea of God. These clearer, higher views inspire the Godlike man to reach the absolute centre and circumference of his being" (262:10).

CIRCLE TO MEET

The new Mary Martha Circle of the First Methodist Woman's Society of Christian Service will meet at the home of Mrs. T. E. Alexander on Monday, May 17, at 8 p. m. Mrs. Jack Phillips, chairman, will preside at the business. Mrs. John A. Dulany will be in charge of a study of "Great Prayers of The Bible." Mrs. M. Bordenier will assist Mrs. Alexander as co-hostess.

Mrs. Miriam Bordenier is a patient at the Everglades Memorial Hospital this week.
